LONG LASTING PERFORMANCE

Enjoy the taste and odor of purer, filtered water. Our filter ensures consistent, clean water removing unpleasant tastes and odors, making every sip more enjoyable.

ENVIRONMENTALLY FRIENDLY

Our filters are designed to be eco-friendly. By reducing the need for bottled water, you can help conserve resources and reduce your environmental impact.

SUPERIOR FILTRATION

Our advanced filter reduces harmful sediment, chlorine, and unpleasant tastes & odors. This filter effectively reduces chlorine, a common culprit behind unpleasant tastes and odors in your tap water. Experience the difference of fresh, clean-tasting water in every sip.

PREMIUM MATERIALS

Crafted with high-quality coconut shell carbon, our filter delivers superior performance and long-lasting results. This filter effectively reduces not only chlorine but also bad tastes, and odors for a cleaner, more enjoyable drinking experience.

EASY INSTALLATION

Installing the Brita PRO® CTO Filter is quick and easy. Our user-friendly design and clear instructions make it a hassle-free process, so you can start enjoying clean, filtered water in no time.

TRUSTED QUALITY

Guaranteed safety and reliability. This system is manufactured in an IAPMO certified facility and certified by IAPMO R&T to meet **NSF/ANSI Standard 42** giving you the assurance of a safe and reliable product for significantly reducing sediment, chlorine and unpleasant taste and odors in your drinking and cooking water.
