BRITA | PRO®

Powerful Protection Against Lead & VOC’s: For the Water Your Family Trusts

INVEST IN YOUR FAMILY'S HEALTH.

Contact us for a consultation and start experiencing the benefits of clean water.

REDUCED LEAD EXPOSURE

Lead exposure can pose serious health risks, especially for children and pregnant women. By installing the Brita PRO® Lead & VOC Filter, you can significantly reduce your family's exposure to Lead and protect their health.

IMPROVED WATER QUALITY

Enjoy the taste and odor of purer, filtered water. Our filter dramatically reduces Lead, VOCs and unpleasant tastes and odors, making every sip more enjoyable.

ENVIRONMENTALLY FRIENDLY

Our filters are designed to be eco-friendly. By reducing the need for bottled water, you can help conserve resources and reduce your environmental impact.

SUPERIOR FILTRATION

Our advanced filter technology reduces a wide range of contaminants, including Lead and VOCs. Experience the peace of mind that comes with knowing your family is drinking cleaner, safer water.

PREMIUM QUALITY

Crafted with high-quality coconut shell carbon, our filter delivers superior performance and long-lasting results. The natural filtration properties of coconut shell carbon effectively remove impurities, including Lead and VOCs while enhancing the taste and odor of your water.

EASY INSTALLATION

Installing the Brita PRO® Lead & VOC Filter is quick and easy. Our user-friendly design and clear instructions make it a hassle-free process, so you can start enjoying clean, filtered water in no time.

TRUSTED QUALITY

We are committed to providing you with the highest quality products. Our Single-Stage Lead & VOCs filter is certified by **NSF/ANSI standard 42**, certified by **NSF/ANSI standard 53**, certified by **NSF/ANSI standard 372**, ensuring safer water, and reliable performance.
