Programming & Control

- Fully customizable programming (times and cycle order)
- Program time of day and hardness
- Days override feature
- Optional Air Release Cycle
- External accessory option
- Stores system configuration and operation data in nonvolatile memory
- Valve internally ported in 1 inch

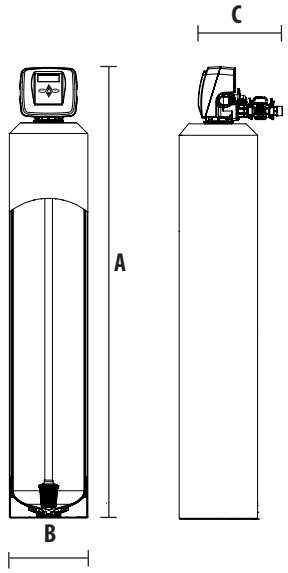

Display & Interface

- Digital display screen
- Water drop flow indicator
- Color-specific displays
- Scrolling Text Display
- Programmable contractor contact screen

Memory & Alerts

- Low battery warning
- Battery back-up with up to 8 hrs of power carry-over
- Service Call Reminder (not programmed from factory)
- Easy contractor set-up
